

Do you know about Valley Care?

Santa Clara Valley Medical Center is creating new programs for our patients without healthcare coverage.

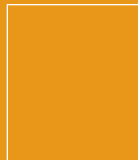

Valley Care coverage is available if you:

- **Have lived in Santa Clara County for six months or more**
- **Do not have health insurance**
- **Have a family income less than 200% of the Federal Poverty Level**
- **Provide proof of US citizenship**
- **Are an adult 19-64 years of age**

A new way to a healthier community

Valley Care

Once covered by Valley Care, participants will:

- Have healthcare coverage for one (1) full year—that means no more paperwork until coverage renewal for the next year.
- Have low or no co-payments based on income.
- Be able to visit a wide variety of Valley Care network doctors throughout Santa Clara County.
- Be able to pick up prescriptions at SCVMC pharmacies *or* get medicines by mail.

Valley Care coverage also includes:

- Outpatient visits
- Outpatient surgery
- Emergency room visits at SCVMC only
- Hospital stays at SCVMC only
- Health education classes
- Emergency dental services
- Prescription medications from formulary list
- Services ordered by your Primary Care Physician (PCP) such as laboratory tests, x-rays or therapy services.
