# WPC Pilot Program Context and Overview

The following table includes an overview of each WPC Pilot program to provide contextual information about their programs and goals. Specifically, the table includes

the type of lead entity, partner types and quantities, target population(s), projected enrollment over the course of the program, and enrollment start date.

Appendix Table 1

WPC Pilot Program Context and Overview

WPC Pilot	Alameda	Contra Costa	Kern	Kings	Los Angeles	Marin	Mariposa	Mendocino	Monterey	Napa	Orange	Placer	Riverside	Sacramento	San Benito	San Bernardino	San Diego	San Francisco	San Joaquin	San Mateo	Santa Clara	Santa Cruz	Shasta	Solano	Sonoma	Ventura

Source: WPC Pilot applications, UCLA conducted structured interviews with WPC Pilot leadership and frontline staff, and WPC Enrollment and Utilization Reports.

- 1 PH/HSA = Public Health or Health Services Agency, HS=Healthcare System, BHD=Behavioral Health Department, M=Municipality.
- 2 Lead Entity had general county partners such as the county executive's office, board of supervisors, or information technology department. These are counted under health partners due to the health focus of WPC.
- 3 In cases where zero partners are listed, the Lead Entity performs one or more of these functions.

4 Community partners include services for housing, health, mental health, and alcohol and other drug dependence, and city/municipal partners that are not part of the lead entity's organization.

5 HU=High Utilizer, HL=Homeless, ARHL=At-Risk-Of-Homelessness, CPC=Chronic Physical Conditions, SMI/SUD=Severe Mental Illness and/or Substance Use Disorder, JI=Justice Involved.

6 Projected enrollment from late 2018/early 2019.

7 195 is the estimated enrollment for all Small County WPC Collaboratives, which includes Mariposa and San Benito.
