ABOUT THE SMOKEFREE MULTI-UNIT HOUSING PROJECT

The UCLA Center for Health Policy Research in partnership with the Los Angeles County Department of Public Health evaluates smokefree multi-unit housing throughout the City of Los Angeles. The evaluation assesses exposure to secondhand smoke in multi-unit housing, knowledge of the harms of secondhand smoke, and the level of support for protections against secondhand smoke exposure in multi-unit housing. Project Partners: Apartment Association of Greater Los Angeles, Fame Corporations, Day One, and Koreatown Youth Community Center.
