2 in 5
Of these respondents reported that secondhand smoke worsened the chronic health condition.
The UCLA Center for Health Policy Research in partnership with the Los Angeles County Department of Public Health evaluates smokefree multi-unit housing throughout the City of Los Angeles. The evaluation assesses exposure to secondhand smoke in multi-unit housing, knowledge of the harms of secondhand smoke, and the level of support for protections against secondhand smoke exposure in multi-unit housing. Project Partners: Apartment Association of Greater Los Angeles, Fame Corporations, Day One, and Koreatown Youth Community Center.
