**The 2024 AAPOR Inclusive Voices Award goes to... the California Health Interview Survey!**

The AAPOR Inclusive Voices Award recognizes the important data sets, research, and survey methods that have improved the ability to study complex social phenomena related to understudied populations.

The CHIS team will be honored at the AAPOR Awards Banquet on **Thursday, May 16, from 6:30 p.m.–8:30 p.m. ET, in the Grand Ballroom.**

“AAPOR is proud to award the 2024 Inclusive Voices Award to the California Health Interview Survey. For over 20 years CHIS has served as a national model for best practices in collecting data on race and ethnicity, sexual orientation and gender identity, and immigration status... AAPOR selected CHIS as the recipient of the Inclusive Voices Award for its commitment to design a general population survey to include the voices of those who are undercounted or underrepresented and its commitment to health equity via data equity.”
